RE: CC Docket No. 98-67
**In the Matter of Telecommunications Relay Services and Speech-to-Speech Services
for Individuals with Hearing and Speech Disabilities**

Dear Ms. Dortch:

The Massachusetts Department of Telecommunications and Energy ("MDTE") respectfully submits this filing in compliance with the Federal Communications Commission's ("Commission") requirement that states and TRS (telecommunications relay services) providers submit annual consumer complaint log summaries on or before July 1, 2002.

For the period from June 1, 2001 through May 31, 2002, the MDTE received no consumer complaints alleging a violation of federal TRS minimum standards. The MDTE will continue to monitor the state of TRS in Massachusetts in order to assist the Commission in spotting national trends that may lend themselves to coordinated solutions.

Sincerely,

Michael Isenberg
Director, Telecommunications Division, MDTE
